Sri B. B. SAYANAK.—May I know whether the Government is intentionally or deliberately not printing these Marathi and Urdu text books for standards VI, VIII, IX and X because the Government wants to introduce Kannada as medium of introduction ?

2·00 P.M.

†Sri K. V. SHANKARA GOWDA.—It is not correct. These books were nationalised last year. They have to be translated and published. We have entrusted this work to private publishers. They have been translated and I hope in all probablity that these books would be released in the month of November or December, this year.

Sri B. P. KADAM.—Why the books have not been published even though they were entrusted for publication before five years ?

Sri K. V. SHANKARA GOWDA.—It is not for the last five years. It is only this year they have been entrusted to publish these books. I assure the Hon'ble Member that these books will be available by next December.

Mr. SPEAKER.—Next question by Hon'ble Member Sri E. Narayana Gowda.

Sri B. B. SAYANAK.—Sir, I have one more supplementary to put.

Mr. SPEAKER.—No, I cannot allow any more supplementaries as I have already called the next question.

Sri B. B. SAYANAK.—Sir, you have allowed all others to ask as many supplementaries as they wanted to put. In protest I stage a walk-out.
